### Warner Robins High Wins 3<sup>rd</sup> at State One-act Competition

HOUSTON COUNTY, GA – Warner Robins High School won third place at the State One-Act competition with its performance *Anatomy of Gray*. Warner Robins High qualified for the state competition by winning first place at the Region AAAAA One-Act competition. The state event was held Nov. 14, 2009, at Bleckley County High School.

Senior Bobbie Stringer (pictured) was also chosen for the All-Star cast award for her portrayal of Rebecca Muldoon. She was presented this award at the Georgia Theatre Conference.

Tamara Fisher, drama teacher and director, remarked, “Placing in the top three in the whole state was such an honor, but to see our principal attend, along with many parents and friends, made the day even more special. The cast and crew joined several other schools in song while the judges deliberated. It was just so beautiful to see friendships being created and the love of theatre expressed through song and camaraderie. Theatre competitions do not have to be cut-throat. You can become a better actor and director by watching, learning and appreciating other people’s work. This year was rewarding, but it was also fun and educational for me as a director.”

*Anatomy of Gray* is a story of lost love and life. To some, the town of Gray may be the most boring town in the whole world, but on this particular day someone has come to town to not only change its hue, but to change the hearts and minds of all who live in Gray, Indiana.

Warner Robins High is located at 401 South Davis in Warner Robins. Steve Monday serves as principal. For more information, contact Tamara Fisher at (478) 929-7877, extension 51275, or [tamara.fisher@hcbe.net](mailto:tamara.fisher@hcbe.net).
