Pearl Stephens Elementary to Receive Gift of Technology Following Black History Program

HOUSTON COUNTY, GA – Pearl Stephens Elementary School will be presented a gift of technology by mimio on **Friday, Feb. 26, 2010, at about 2:30 p.m.** Melissa Jackson with Newell Rubbermaid, mimio's parent company, will present the school with six mimio Interactive + Capture systems and Wireless modules - one set for each grade level – valued at approximately \$9,000. School supplies will also be presented. In addition, mimio will provide training on the technology at a later date.

Pearl Stephens Elementary children will perform a Black History Month program at 2:00 p.m., and Jackson will make her presentation to the faculty and staff immediately following. In observance of Black history, the students will sing and dance and the third-graders will do a special performance.

mimio Interactive systems turn dry erase whiteboards into full-featured interactive whiteboards. mimio Capture allows teachers and students to digitally capture and share dry-erase marker work from any whiteboard. Both products are easy to use and allow teachers and students to e-mail and share their work with peers, friends, colleagues and parents. Specifications on the items being donated follow:
