

Dear Parents,

In order for your child to **tryout** or **participate** in athletics in Houston County he or she **must** have an up to date sports physical examination on file in the Athletic Department. This sports physical is good for the entire school year. On Tuesday, April 20 we will be taking those sports physical exams at Warner Robins High School. We are providing transportation to and from the physical exam site. All students will return a sports physical form signed by a parent and with the \$10 fee to Coach Martin by Monday, April 19. Then on Tuesday April 20, all students will report to Warner Robins Middle school by 5:30pm. All students will be transported by bus to Warner Robins High School where they will receive their physical exam. The physical exam will be given by the doctors at Houston Orthopedic Center. All students need to wear shorts or loose warm up pants, a t-shirt, and sneakers. If your child wears glasses they will need to bring them to the physical exam. We will return your child to Warner Robins Middle School where a parent will be there to pick them up. We will return around 7:00pm. Students will be able to use a phone to call parents because we aren't real sure about the return time. If you have any questions please feel free to contact Coach Martin at 929-7774 or 338-2241. Thanks for your support!

Coach Mike Martin
Athletic Director
Warner Robins Middle School
