PARKING RULES AND REGULATIONS**

All student parking is by permit only. Applicants should carefully fill out and sign the necessary application. Students may register vehicles owned or leased by themselves or their family. Students may not trade, sell, loan, barter or give away any parking space. Funds generated by the sale of permits are designated to cover the costs of employing a security officer for our parking areas. The Security Officer will be on duty from 7:15 AM to 3:15 PM daily. The duties of this officer will be monitoring for vandalism, checking for parking permits, and observing persons arriving and leaving the parking areas. The Houston County Board of Education is not responsible for the losses or damages to the property of users of its facilities, including loss due to bodily injury. All students parking a car at Warner Robins High during the school day must purchase a parking permit and must use the space assigned. The school reserves the right to either deny or cancel any student's parking privilege. Students must comply with all Board of Education and local school policies in order to park on campus. Students who do not follow the rules and regulations will have their parking permit revoked. There will be no refund of parking fees if a student's permit is revoked.

Examples of behavior that would result in a student having their parking permit revoked would include, but not be limited to the following:

- (1) Buying a parking space from another student.
- (2) Failing to observe any established parking or traffic safety regulation at school.
- (3) Either leaving school without permission or transporting another student from campus without permission.
- (4) Parking in a space which has been assigned to another student.
- (5) Parking anywhere besides the space numbered on the permit.
- (6) Failure to display the parking permit.
- (7) Driving in a careless/dangerous manner.
- (8) Using my vehicle to leave campus without permission or skip school, my parking privileges will be revoked for the entire year.

No refunds will be given for parking permits once they are issued. The campus speed limit is 10 MPH. Violations will result in the voiding of permit (cost will not be refunded) or other appropriate action. We encourage students to drive safely. Any driving that endangers persons or property will result in the voiding of the parking permit and other appropriate action. Again, we ask students to drive in a responsible manner. If you find it necessary to drive a substitute vehicle to school, your parking permit must be displayed. Motorcycles must also have a student parking permit. Priority in assignment of parking spaces will be established by the school administration. Permits are to be issued to students who qualify for parking privileges as determined by the Principal.

This parking permit application and registration form shall be used to register vehicles and by copy, advise Parent/Guardian of the Rules and Regulation.

Parking and traffic violators on campus shall be subject to, but not limited to, one or more of the following disciplines.
