## Parent Resources:

We have a parent resource library in the media center. You are welcome to check out books. We also have flyers and information located outside the front office. There is a list of materials we have located on the school website.

Kelly Sitrin is our Parent Involvement Coordinator, if you are interested in volunteering or being more involved in our school, please contact her at 953-0450. Our next parent volunteer orientation is Sept. 21st at 4:30. We hold parent volunteer training once a month. You must have a security clearance and attend a parent volunteer orientation prior to working in the classrooms or attending a field trip.

Stay informed: Please visit our school website and let us know if there is anything else you would like to see us add to the site.

## Boosterthon Collect Those Pledges!

We need your help in making our Boosterthon fund raiser a success. Our students were taught that a pledge is a promise. We need to collect 100% of our pledges. Please contact all of the friends and family that gave you a pledge and ask them to support our school with their tax deductible donation. The Boosterthon organization has worked hard to provide a fund raising activity for our school that promotes, character, fitness and leadership. Let's show support for our school by making this fun run a success and that we want to do this again next year, by getting those pledges in. Pledges were due Friday Sept. 2<sup>nd</sup>. We will still be accepting pledges this week. Checks are made payable to Eagle Springs. There is also an option to pay on-line. Let's show them how our Eagles Soar and collect those pledges for more technology and playground equipment.
