### **Parent Resources:**

Please visit our school  
website: It has a lot of  
useful information and  
resources.

<http://www.hcbe.net/schools/ese/>

*There is a Parent Resource  
Center available in the Media  
Center!*

## **READ-NIC**

Join us October 21<sup>st</sup> for a READ-NIC -What is a READ-NIC? We invite parents to join us for a sack lunch on the playground (picnic style) and read to their children or to the class during lunch time. Go ahead and put it on your calendar, pick out your favorite books, grab a blanket and we will see you on the 21<sup>st</sup>

## **Red Ribbon Week**

### **October 24<sup>th</sup> -28<sup>th</sup>**

**Monday:** : “**Team Up Against Drugs**” Wear your favorite team jersey or colors to show that together we can make a difference and stay drug free.

**Tuesday:** “**Sock It to Drugs**” Wear crazy socks to show you won't give in to drug use.

**Wednesday:** “**Red Day**” Wear as much red as you can, but please do not “paint” your hair or your skin.

**Thursday:** “**Put A Cap On Drugs**” Wear a cap to show that we don't need drugs to have a good time.

**Friday:** “**Celebrate Freedom**” Dress in red, white, and blue to celebrate our country and the freedoms we have, including a red shirt in support of our troops.

## **AR Program**

In order to better serve our students, we purchased a new AR program this year. One of the great things about the new program is that now we have access to a lot more tests and almost every book we have in the media center has an AR test. You can log on to ARbookfind.com to see if a book you have at home or from the public library has an AR test. This really opens up more opportunities for our students.

## Your Trash -Our Treasure

Please clip and save those **General Mills Box Tops** for Education! PTO earns 10 cents per top - easy money and it really adds up!

We collect **soda tabs** for the Ronald McDonald House.

Save those **Capri Sun pouches** - we can earn money for our school for them also.

Any of these items can be turned into your child's teacher. Don't forget to ask neighbors who do not have children, grandparents and family members to help collect these items for us too.

## **Community Tutoring Program:**

**First Baptist Church, 210 Garmon Street, is offering tutoring for students in every grade level. The tutoring service will be each Monday and Thursday from 6:00-7:00pm with a snack provided.**

**You may contact Gerald Flowers, 923-2279 or Fred Wilson, 954-0678 if you have any questions.**

## **If you are interested in volunteering -**

Please contact **Kelly Sitrin**, Parent Involvement Coor. (478-953-0450) or [Kelly.Stirin@hcbe.net](mailto:Kelly.Stirin@hcbe.net)

## Math Moments For Families

In an effort to support families with math homework, each grade level is creating a math newsletter that has vocabulary, examples, helpful hints and suggestion on how to complete math assignments and understand the methods being used in the classrooms. These will be sent out at the beginning of each unit and they will be grade level specific. Please be looking for the first one this week.
