

Bonaire Elementary School Council

Minutes – 3/10/11

- **Call to Order:** Mr. Jones, Principal of Bonaire Elementary School called the meeting to order.
- **Members Present:** Hai Vu, Tina Tomlinson, Becky Reece, Elizabeth Bombardo, Willis Jones
- **Members Absent:** Trinette Rosales, Amanda Roberson
- **Recognition of Visitors:** Mrs. Adele Vitchkoski
- **Approval of Agenda:** Motion made by Mr. Hai Vu and seconded by Mrs. Elizabeth Bombardo. The motion carried.
- **Approval of minutes from 11/18/10 meeting:** Motion was made by Tina Tomlinson and seconded by Becky Reece. The motion carried.
- **Old Business:** Mrs. Vitchkoski gave an update to the Council on how PTO was going to use their funds to help Bonaire Elementary with its technology goals. PTO is going to purchase for BES the overhead projectors needed to run the Promethean/Smart Boards for 4th grade and then as many 3rd grade classes as possible. They will also continue funding many of the same projects for the school as they have in the past with the exception on buying the agendas. By purchasing 3rd grade projectors, PTO would probably not have enough funds to buy the agendas again. Mr. Jones at this time stated the school would buy the agendas with school funds if needed.
- **New Business:** Mr. Jones went over the profits from the schools Boosterthon Fun Run. Profits at this point are \$21,000. These profits will be used to purchase overhead projectors for Kindergarten, 1st

grade, 2nd grade, and 3rd grade if needed. By doing this every classroom Kg – 5th grade will have projectors installed and ready to use for the Promethean/Smart Boards.

Promethean/Smart Boards will then be purchased along with teacher work stations that will be needed to run the Boards. Some of these funds will be provided by the county BOE with funds generated by the 2012 SPLOST, assuming the SPLOST will pass.

March 24 PTO night: The PTO will have a Hotdog dinner parents may purchase following an instructional period for parents so the parents may see how we teach English/Language Arts and Math. We will also have instruction on test taking strategies as well as demonstrate the use of Promethean Boards in our Special Education classes.

School Improvement Plan: BST is in the process of reviewing the plan and will make suggestions for changes at the next BST meeting. We will use the Leadership Summit to finalize those plans and have the finished copy ready in July 2011.

Agenda Topics for May 12: CRCT, Election of 2011 – 2012 members

Adjourned: Mr. Jones adjourned the meeting at 4:40.
