

# Linwood Elementary School

"Leading the Way"

## Message from Our Principal

The staff at Linwood Elementary is dedicated to making our mission a reality. We are members of a professional learning community. We believe a strong home-school-community connection is essential. We solicit the involvement and support of all students, their families, and community members.

At Linwood Elementary, we proudly state each morning:

"We are the Linwood Elementary Leopards.

We stand tall.

We stand proud.

We are *Leading the Way!*"

We would like to invite you to visit our school. It is a place filled with happy children who are learning and growing. They will greet you with hugs and eager questions.

*Lazunia Frierson*  
Principal

## Mission

Our mission is to provide resources and services that support a quality learning community where students meet and exceed state standards.

## Vision

Our vision is that our school will become an interdependent learning community that values relationships among all stakeholders; seeks and utilizes best practices; and encompasses ongoing professional development to ensure we have a highly qualified, well-trained staff that fosters student achievement and the social well being of each child. We envision Linwood as a school that leads the way in excellence.
