SAT Scores Released for Houston County Schools

HOUSTON COUNTY, GA – SAT scores were released this week by the College Board for the Class of 2011. The mean total score for Houston County students was 1,472, which is 27 points higher than the state average of 1,445. A total of 885 students who graduated in Houston County in 2011 took the SAT, a 14 percent increase as compared to five years ago.

Assistant Superintendent for Teaching and Learning Dr. Eric Payne said, “We congratulate our students on their SAT scores. While pleased to outperform the state average, our goal is to outperform the national average. We will continue to work toward this objective, especially with the changes in qualifying for the HOPE scholarship.”

The 2011 SAT average scores are provided for each high school, system, state and nation.
