Schools and Legislators Celebrated Constitution Day

HOUSTON COUNTY, GA – Special guests helped three elementary schools celebrate Constitution Day. Sen. Ross Tolleson visited Tucker Elementary, Rep. Larry O’Neal visited Matt Arthur Elementary, and Rep. Buddy Harden visited Bonaire Elementary.

All three legislators spoke to fifth grade classes, reaching a total of about 325 children. They discussed the importance of our Constitution and the vision of our Founding Fathers. Sen. Tolleson (pictured left), Rep. O’Neal (pictured below, left) and Rep. Harden also purchased Liberty Day Constitution booklets and gave one to each student. The booklet included copies of the Constitution and Declaration of Independence, as well as flashcards,

important dates, all amendments and quotes. The visits were coordinated as a non-partisan project by the Georgia Federation of Republican Women.
