Northside High Students Offered Free Tutoring

HOUSTON COUNTY, GA – The Houston County School System is currently accepting requests to provide Supplemental Educational Services (SES) for Northside High School students. SES provides free tutoring and academic enrichment services as mandated by the Elementary and Secondary Education Act. These are high-quality, research-based educational programs that provide additional academic assistance outside of the regular school day.

SES is available to all Northside High School students. Parents of Northside High students were mailed a SES information packet on Nov. 18, 2011.

Northside parents are encouraged to attend a SES Providers' Fair on Tuesday, Dec. 13, 2011, from 3:00 to 6:00 p.m. at Northside High. This fair gives parents a chance to meet state approved providers and decide which service best suits their student's needs. The SES enrollment period ends on Jan. 11, 2012.

Northside High School is located at 926 Green Street in Warner Robins. Dr. Greg Peavy serves as principal. For additional information, please contact Jennifer Birdsong, Title I Coordinator, at 478-988-6396 or the Northside High School office at 478-929-7858.
