

Society of American Military Engineers Robins AFB Post 2012 Education and Mentoring Program

The Society of American Military Engineers (SAME) is non-profit professional engineering association headquartered in Alexandria, Virginia with Chapters (called Posts) worldwide. Its mission is to bring together professional engineers and those in engineering-related fields; to improve and increase the engineering capabilities of the nation; and to exchange and advance the knowledge of engineering technologies, applications, and practices. Each year, the Robins Air Force Base Post of SAME provides college scholarships to deserving students who are interested in pursuing an education in engineering to help begin this education and mentoring process.

ELIGIBILITY CRITERIA:

- 1) High School Senior or 1st or 2nd year College Student
- 2) Planning to pursue an Engineering degree or already enrolled in an Engineering degree program

SELECTION:

- 1) A board of SAME officers will make the selection.
- 2) Selection will be based on academic achievement, character, personal merit, and commitment towards the field of engineering. Merit is demonstrated through leadership in school, civic and extracurricular activities, academic achievement, and motivation to serve and succeed.
- 3) Selection will be made with no regard to race, color, creed, sex, or national origin.
