

Right to Request Teacher Qualifications

Huntington Middle School receives federal funds for Title 1 programs that are part of the No Child Left Behind Act of 2001. You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible:

1. If the teacher has met state licensing requirements for the grade level and the subjects in which the teacher is providing instruction.
2. If the teacher is teaching under an emergency status for which state licensing requirements have been waived.
3. The type of college degree major of the teacher and the field of discipline for any graduate degree or certificate; and
4. If your child is receiving Title 1 services from paraprofessionals and, if so, his/her qualifications.

If you would like to request this information, please contact your child's school.
